

Stem Cell Community Day Lisbon 2019

November
21st 2019

The Oitavos
Lisbon/Cascais, Portugal

Bioprocessing Technologies in Stem Cell Research

- > Challenges in Bioprocess Engineering and Scale-Up of Stem Cell Culture
- > Process Controls and Analytics
- > Successful Translation and Commercialization

Early-Morning-Workshop

with **Dr. Robert Zweigerdt** (Hannover Medical School)
and **Dr. Philipp Nold** (Eppendorf AG)

»Introduction to Stem Cell Bioprocessing –
Lineage-directed Differentiation of Human Pluripotent
Stem Cells in Stirred Bioreactors«

Save your place now and register as attendee at
www.stemcellday.de

Confirmed Speakers to date

Margarida Serra, PhD (iBET)

Felix Manstein, MSc (Hannover Medical School)

Arie Reijerkerk, PhD (Ncardia)

Cláudia Lobato da Silva, PhD (University of Lisbon)

Michal Zimerman, PhD (Kadimastem)

Henning Kempf, PhD (Novo Nordisc A/S)

Poster Session with Poster Prize

Abstract Submission and Registration at
www.stemcellday.de
